"Hug a Bug" offers a series of clever, humorous glimpses, in rhyme, at life's simple pleasures. "In a world where imagination takes second or third place to corporate sensibilities, Nancy Mills once again, proves that there is glory in letting the mind wander to places where words are play, images change their meanings and the heart has no boundaries. 'Hug a Bug' is a delight." (Greg Moody, CBS television, Denver).

With a sprinkling of whimsy and a smackerel of twinkle, "Never Eat Cabbage on Thursday" is a rhyming list of do's and don'ts for children. The repetition is infectious and kids of all ages will find this book wonderfully entertaining. Sandals with your snow suit may not be the very best look, so find your own style, eat peas by the mile, tip your hat to the gourmet cook... are just a few of the pearls to be found.
